

HydraHub Terms of Service  
Last Updated: 03/27/2025

Operator: HydraHub ("Service") is operated by Synaptic Solutions LLC (2025) ("we," "us," or "our"), a limited liability company registered in Pennsylvania, USA.

By accessing or using HydraHub, you agree to these Terms. If you disagree, discontinue use immediately.

### 1. Acceptance of Terms

By interacting with HydraHub's services—including tokens (HYD, HDR), bridges, AI tools, or community platforms—you confirm:

You are at least 18 years old and legally permitted to use blockchain services in your jurisdiction.

You accept all risks outlined in this ToS and our Privacy Policy.

### 2. Services Overview

#### A. Scope of Services

HydraHub provides:

**HYD Token:** A utility token on the XRP Ledger (XRPL) for governance, rewards, and ecosystem access.

**HDR Token:** A fee token for cross-chain bridge transactions.

**Bridges:** Decentralized infrastructure connecting XRP, XLM, Constellation, and other networks.

**AI Tools:** Automated management of AMM pools, community moderation, and user support.

**Community Platforms:** Telegram, Discord, and governance forums.

#### B. No Financial Advice

HydraHub does NOT provide investment, legal, or tax advice. Token ownership carries inherent risks (see Section 5).

### 3. User Responsibilities

#### A. Prohibited Activities

You agree NOT to:

Use HydraHub for illegal activities (e.g., money laundering, fraud).

Exploit vulnerabilities in smart contracts, bridges, or AI tools.

Spam, harass, or share harmful content on community platforms.

Misrepresent affiliation with Synaptic Solutions LLC.

#### B. Compliance

You are solely responsible for complying with local laws, including taxes and crypto regulations.

U.S. users confirm they are NOT sanctioned individuals or residents of prohibited jurisdictions (e.g., Cuba, North Korea).

#### C. Security

Safeguard your wallets, private keys, and social media accounts.

We are not liable for losses due to unauthorized access or user error.

#### 4. Token Disclaimers

HYD/HDR Are Utility Tokens: They are designed for ecosystem access, governance, and fees—NOT investments, securities, or financial instruments.

No Guarantees: Token functionality, availability, or value is subject to change. We do not promise profits or price stability.

Airdrops: HDR distributions are discretionary. Eligibility criteria may change.

#### 5. Risk Disclosure

Using HydraHub involves risks, including but not limited to:

Market Volatility: Token prices may fluctuate drastically.

Technical Failures: Bridges, smart contracts, or AI tools may malfunction.

Regulatory Changes: Laws affecting crypto assets may impact HydraHub's operations.

Third-Party Risks: Telegram, Discord, and blockchain networks operate independently.

#### 6. Intellectual Property

Ownership: Synaptic Solutions LLC owns HydraHub's codebase, branding, whitepaper, and AI tools.

Licenses: Users receive a limited, non-exclusive license to interact with HydraHub's services.

#### 7. Limitation of Liability

No Warranties: Services are provided "as-is." We disclaim all warranties (express or implied).

Damages Cap: Our liability is limited to fees paid to us in the past 12 months.

Indirect Losses: We are not liable for lost profits, data, or reputational harm.

#### 8. Termination

We reserve the right to suspend or terminate your access to HydraHub for violations of these Terms, without prior notice.

#### 9. Dispute Resolution

Governing Law: Disputes are governed by the laws of Pa, USA.

#### 10. Amendments

We may update these Terms. Continued use after changes constitutes acceptance. Updates will be announced via:

On-chain memos (XRPL) and Telegram.
